Ghatkopar-Mankhurd flyover to be renamed after Shivaji Maharaj

PRATIP ACHARYA pratip.acharya@fpj.co.in

After a series of controversies between Shiv Sena and Bharatiya Janata Party (BJP), the Brihanmumbai Municipal Corporation (BMC) has decided to name the Ghatkopar-Mankhurd Link Road Flyover after Shivaji Maharaj.

The proposal of naming the flyover after Shivaji Maharaj was first proposed by Sena corporators - Vaishali Shewale and Samiksha Sakre, on Dec 1, 2020. Soon after which, Manoj Kotak - BJP MP also wrote to the BMC commissioner suggesting that it should be renamed after Shivaji Maharaj. The commissioner in his remarks while turning down the proposal said that it's too early to decide the name of the flyover as it is still under construction.

Forum for Fairness in Education files PIL demanding 50% reduction of school fees

The PIL has been filed in the Bombay High Court by FFE following support from parents

RONALD RODRIGUES ronald.rodrigues@fpj.co.in

The Forum for Fairness in Education (FFE), a non-governmental organisation (NGO) working for education, has filed a public interest litigation (PIL) in the Bombay High Court (HC) demanding 50 per cent reduction in school fees. Parents of students studying in private-unaided schools said fees should be reduced to relax the financial burden as they have lost jobs due to Covid-19 situation.

The PIL has been filed by FFE following support from parents. Parents said school fees of the academic year 2020-21 and 2021-22 should be reduced by 50 per cent. A parent on request of anonymity said, "My

son is studying in a private-unaided school at Andheri. Since the last one year, my son has not used any facilities such as offline library, laboratory, playground, canteen or bus services of the school. The additional fees for these services should not be charged because students have not used them."

Jayant Jain, president of FFE said, "In the PIL, we have demanded minimum 50 per cent reduction in tuition fees as schools have saved expenditure on offline services due to shift to online classes. Also, unjustified fees collected by schools towards unutilised services should be waived off completely. No child

should be debarred, detained or removed from school because their parents are unable to pay total amount of fees."

Recently, the state school education minister Varsha Gaikwad said schools that pressurise parents of students to pay fees or threaten to expel students from the school will be derecognised. A strict inquiry will be initiated and action will be taken against such schools which use illegal means and deny access to online education to students on non-payment of fees.

In addition, the state school education department has created Divisional Fee Regulatory Committees (DPRCs) in Mumbai, Pune, Nagpur, Nashik and Aurangabad division.

Rare basalt rock column, formed six crore years back, found in Yavatmal

YAVATMAL: A columnar basalt rock pillar formed six crore years back from volcanic lava has been discovered during a road construction work at a village in Yavatmal district, a leading geologist has said.

This rare rock formation was found last week at Shilba-Pardi village in Wani-Pandhakawda area of the district, he said.

Talking to PTI, environmentalist and geologist Prof Suresh Chopane said, "It is a rare natural rock called columnar basalt formed from the lava of a massive volcanic eruption in Maharashtra that occurred 60 million years ago. The hexagonal-shaped pillars were formed due to the shrinking of the lava." Chopane, a former member of the regional empowered committee of the Union Ministry of Environment, Forest and Climate Change, said Wani area of Yavatmal district is geographically very ancient.

"In the same area, I had found 200-million-year-old strometolite (layered sedimentary formations) and six-million-year-old conch shell fossils near Pand-

harkavada and Maregaon tehsil," he said. Until 70 million years ago, there was an ocean on the now Vidarbha region of Maharashtra, he said. "But 60 million years ago, during the late Cretaceous period, geographical events took place on the earth and from today's Western Ghats, hot lava flowed to the region now located in Yavatmal district and central Vidarbha, known as Deccan trap," he said.
